

## Scott Barrett

(October 2015)

Scott Barrett is the Lenfest-Earth Institute Professor of Natural Resource Economics at Columbia University in New York City, with appointments in the School of International and Public Affairs and the Earth Institute. He taught previously at the Johns Hopkins University School of Advanced International Studies in Washington, DC and, before that, at the London Business School. He has also been a visiting scholar at Princeton, Yale, and Université Paris 1 Panthéon-Sorbonne.

He has been doing research on climate change since 1990, and was a lead author of the Second Assessment Report of the Intergovernmental Panel on Climate Change. He has also advised numerous organizations on climate change negotiations, including the International Task Force on Global Public Goods.

He is the author of *Environment and Statecraft: The Strategy of Environmental Treaty-Making and Why Cooperate? The Incentive to Supply Global Public Goods*, both published by Oxford University Press. He received his PhD in Economics from the London School of Economics.
