Sinead O’Gorman
Scholars at Risk Europe

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 857742
Inspireurope Project Facts

Title: Initiative to Support, Promote and Integrate Researchers at Risk in Europe

Call: H2020-MSCA-RR-2018

Project dates: Sept. 1, 2019 to Aug. 31, 2022
This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 857742
This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 857742
Definitions

Researcher: “a person active in research, including at a training level, of at least post-graduate or equivalent level”, and includes “all stages of researchers’ careers- be they doctoral candidates or highly experienced researchers”. (MSCA definition)

At Risk: “researchers who are at risk in their countries of origin (due to discrimination, persecution, suffering and/or violence), or are seeking refuge out of these reasons or have recently found refuge in Europe”. (in line with definition in MSCA work programme)
Objectives

1. Groundwork for a long-term, cross-sectoral, European support structure for researchers at risk
2. Contribute to informed policy-making in Europe
3. Bridge the gaps between national and European support mechanisms, between academic and non-academic sectors
4. Improve career development opportunities for researchers at risk
5. Prepare the work environment in Europe
6. Grow the diversity of actors supporting researchers at risk
Inspireurope Activities

1. Regular exchange via a European Coordinating Committee
2. Map and analyse existing support, provide policy recommendations and a road map for improving support
3. Organise mutual learning activities and stakeholder fora to facilitate exchange
4. Webinars & trainings for researchers at risk
5. Webinars & trainings for employers, host organisations and other key stakeholders, academic and non-academic sector across Europe
6. Outreach, networking and awareness-raising, with focus on Central, Eastern and Southern Europe
Invitations to participate
