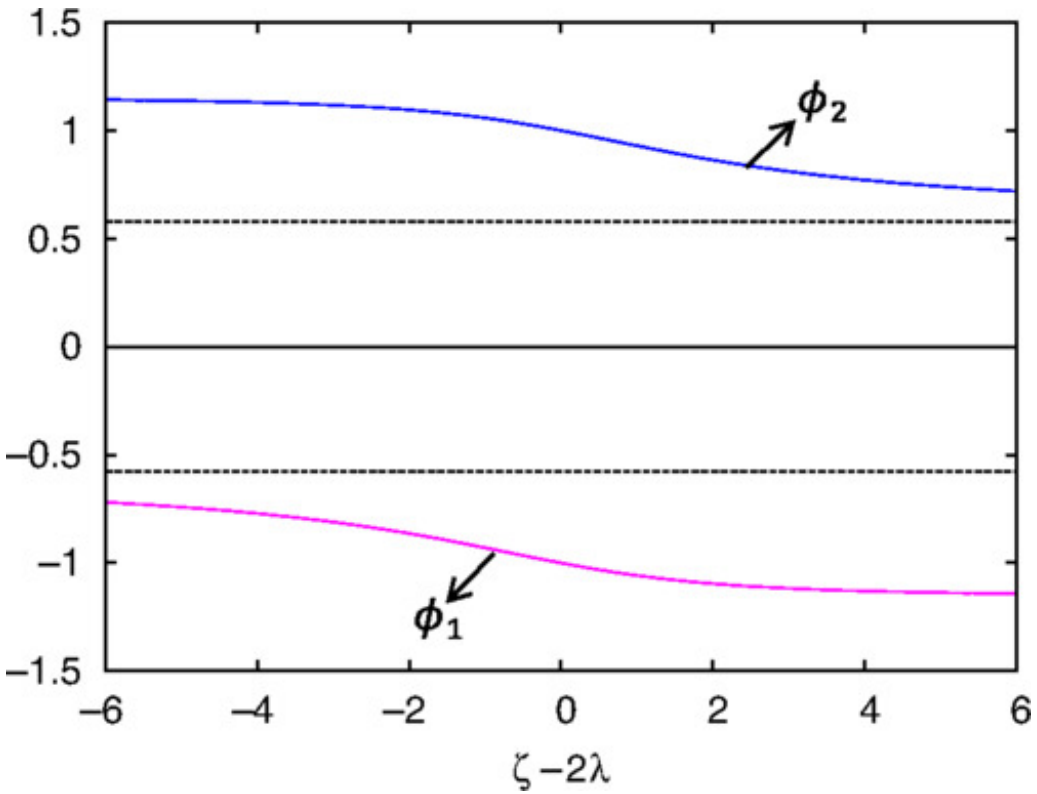
Cours 6-Séparation de phase dans un fluide actif scalaire

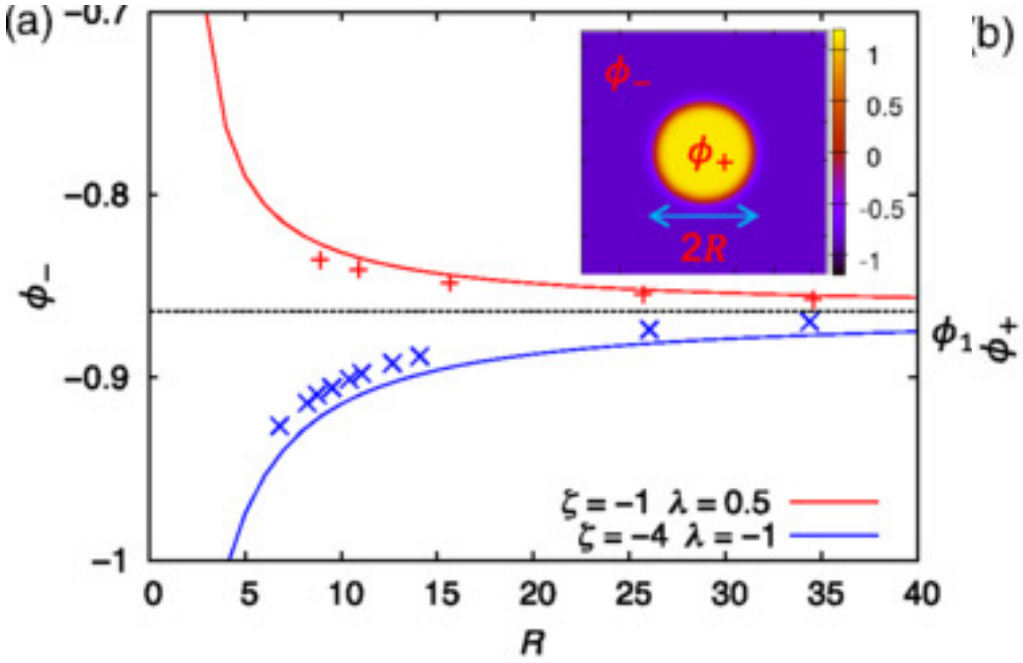
J.F. Joanny

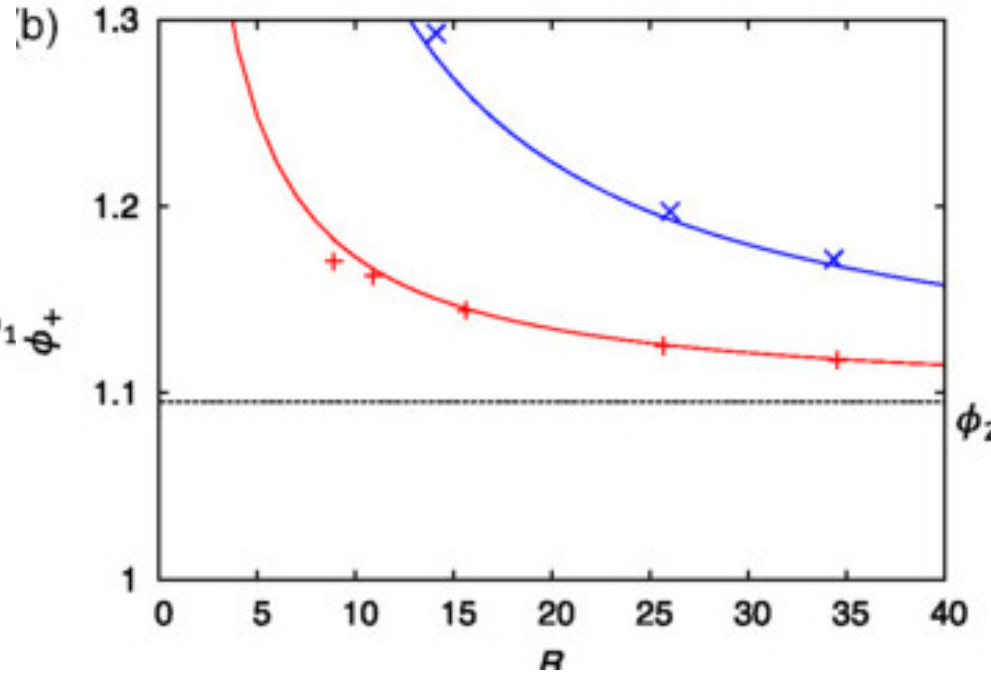
Cours 6, Collège de France, 12 décembre 2022

Diagramme de phase du Modèle B+ actif Thjung, Nardelli and Cates

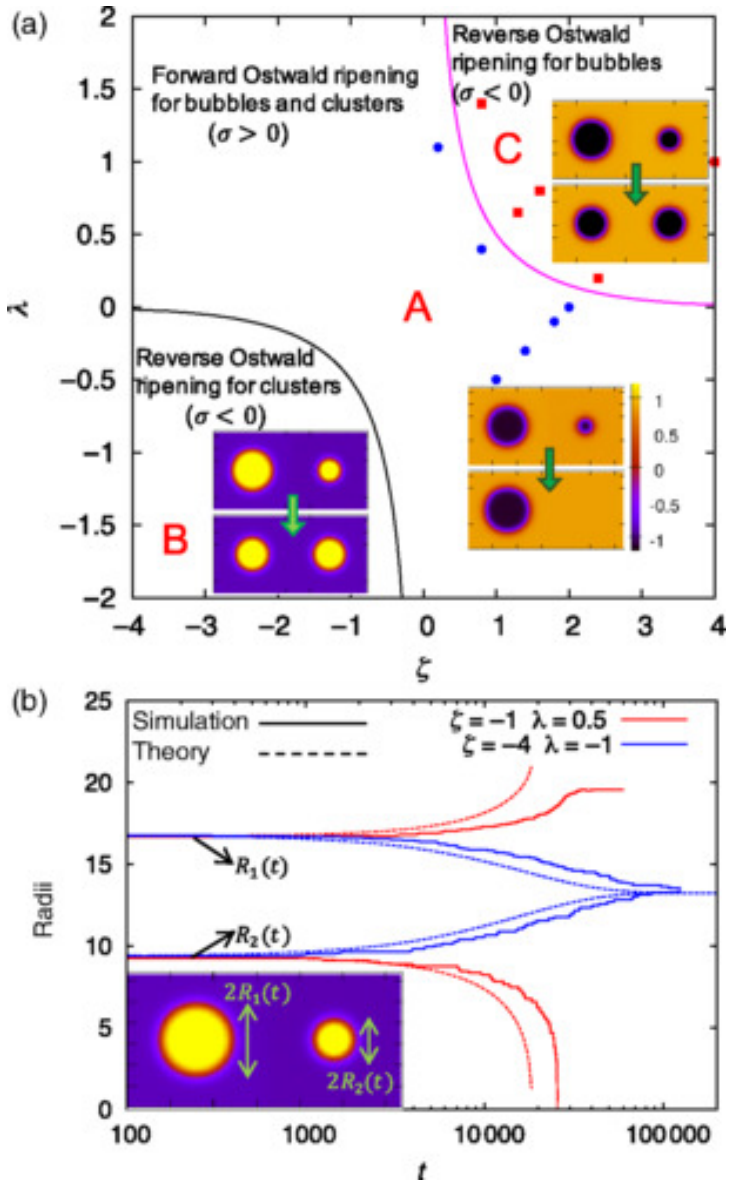


Goutte dans un milieu infini





Mûrissement d'Ostwald inversé



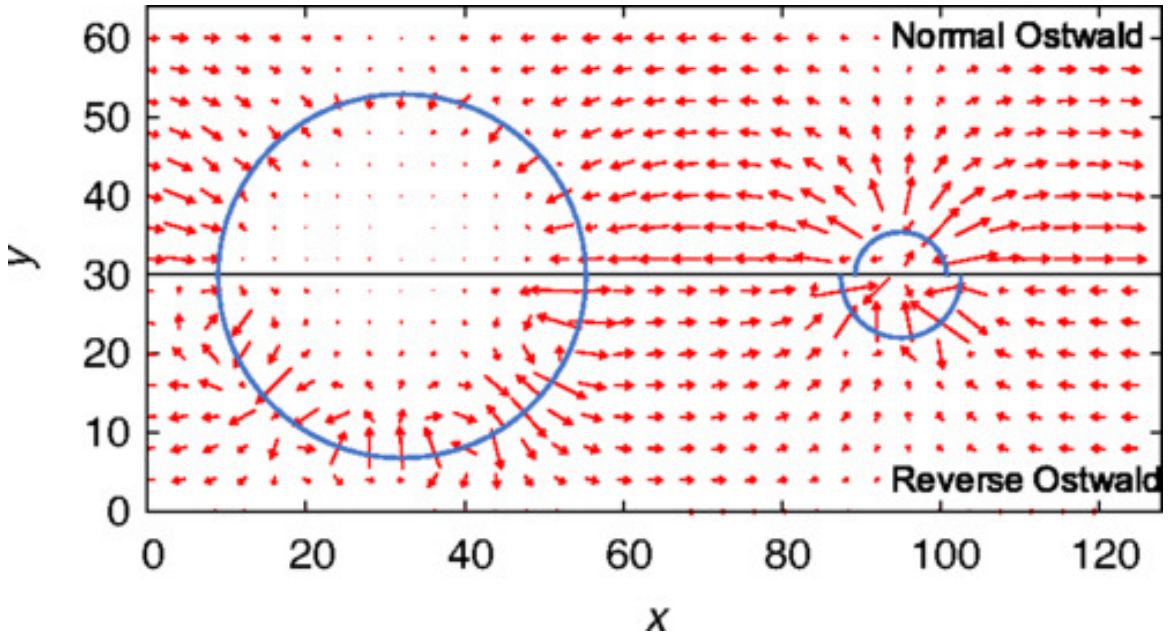


Diagramme de phase en champ moyen

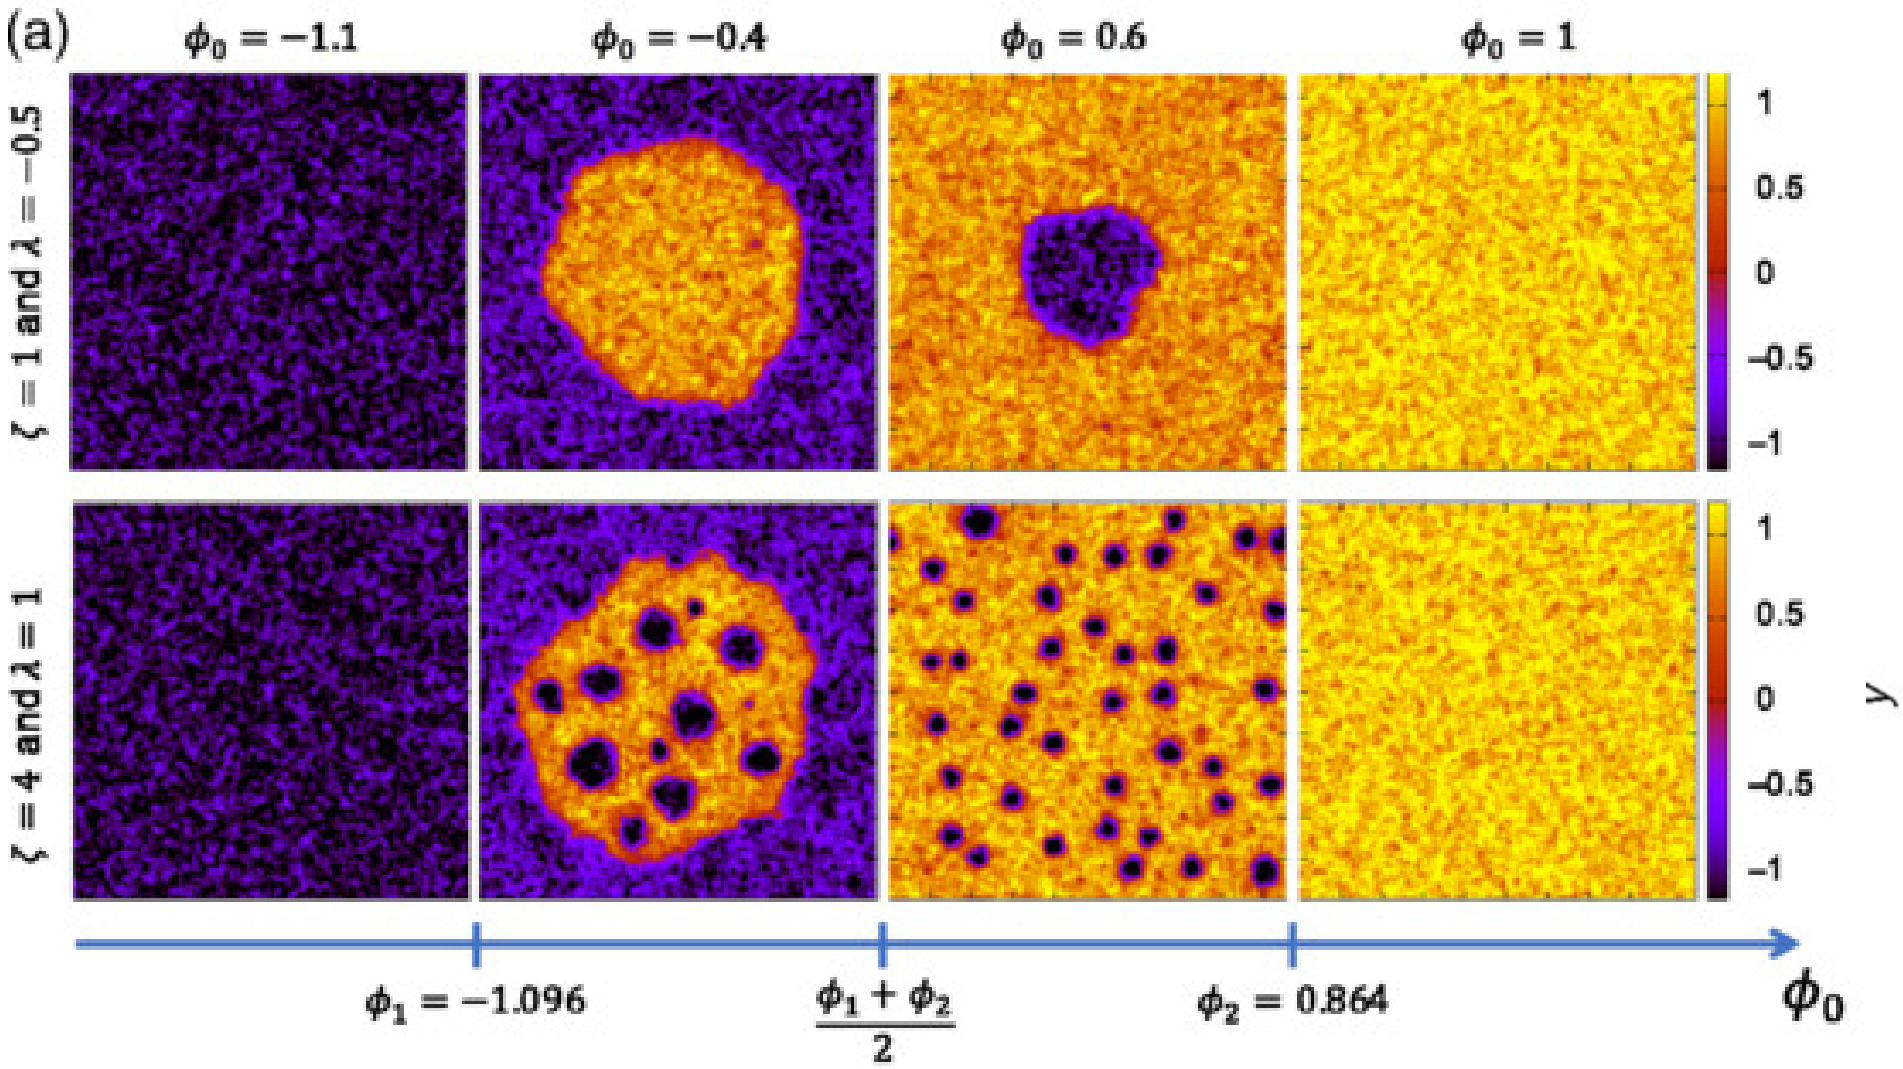
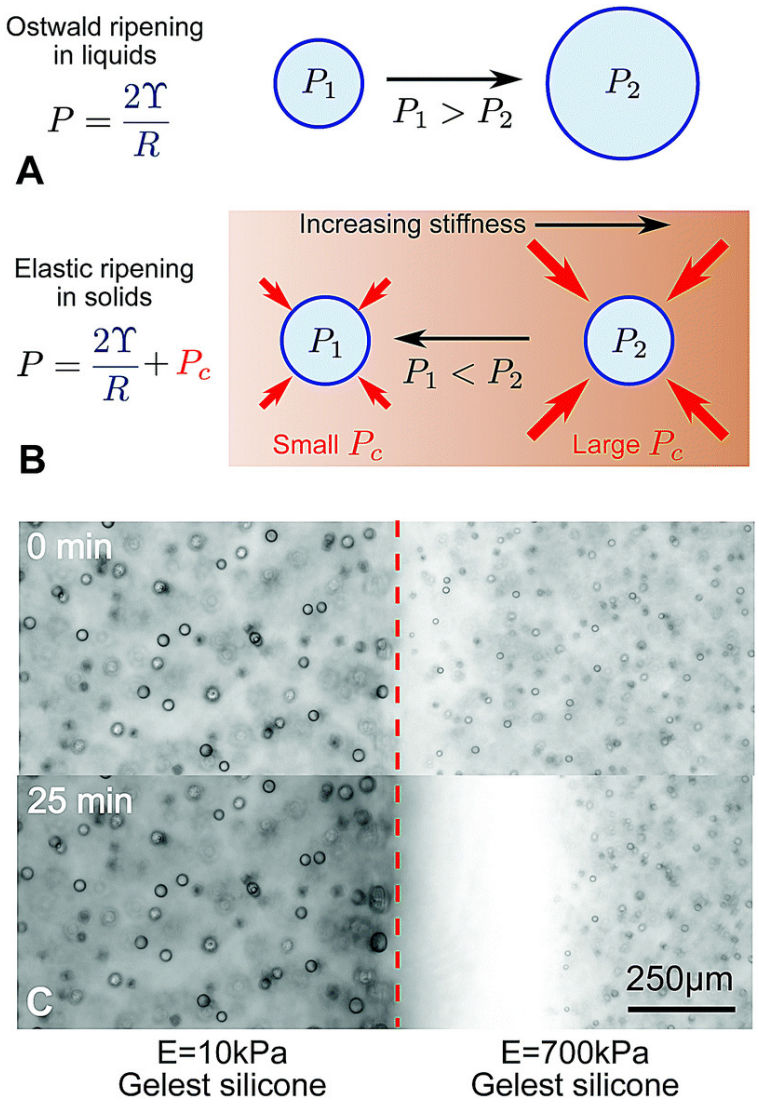


Dynamique de séparation de phase avec du bruit


Mûrissement d'Ostwald élastique Rosovski et al.
