

Invité par l'Assemblée du Collège de France,
sur proposition du Pr. **Hugues DE THÉ**.

Tony HUNTER

SALK INSTITUTE FOR BIOLOGICAL STUDIES, USA

Exploring the World of Protein Post-translational Modifications

6 > 27 mai 2024 – Conférences en anglais

Amphithéâtre Guillaume Budé – de 17h à 18h

Lundi 6 mai 2024

*Post-translational Modifications of Proteins –
Why Nature Chose Phosphate to Modify Proteins*

Lundi 13 mai 2024

*Crosstalk between Post-translational Modifications:
The Role of Ptm Crosstalk in Protein Degradation*

Mardi 21 mai 2024

*Noncanonical Protein Phosphorylation – Is Histidine
Phosphorylation Used as a Reversible Regulatory
Mechanism?*

Lundi 27 mai 2024

*New Insights into Intercellular Crosstalk between
Different Cell Populations in Pancreatic Tumors That
Can Be Translated into the Clinic*
